GROWTH OF $10,000 (from 01/01/09 - 06/30/23)
This table reflects gross performance.

The performance data shown represent past performance, which is not a guarantee of future results. Investment returns and principal value will fluctuate, so that investors' shares, when sold, may be worth more or less than their original cost. Current performance may be lower or higher than the performance data cited. Before investing in any UCF fund, prospective investors should carefully consider the investment objectives, risks and expenses.
Due to rounding, totals may not equal 100%
