## UNITED CHURCH FUNDS

# UCF BALANCED FUND

Effective November 15, 2021, UCF changed the name of Moderate Balanced Fund to UCF Balanced Func

## **FUND OBJECTIVE**

Seeks to provide investors with a total return consistent with a broadly diversified portfolio of high quality fixed income securities and common stocks, with varying equity allocations in accordance with the desired risk/return tradeoff.

## **INVESTMENT STRATEGY**

The Fund consists of units from the Fixed Income Fund and Total Equity Fund. The traditional balanced fund allocation (60% equity, 40% fixed income) provides global equity exposure – domestic large- and small-cap as well asinternational – for greater capital appreciation; while bonds temper volatility and provide a stream of income. The Fund employs shareholder engagement and social and environmental screens.
